VI. REPORTS

COMMITTEE ON APPEAL

Bishop J. H. Straughn, Bishop and President of the West Virginia Conference of the Methodist Church:

The Trustees of the Marmet Church in accord with par. 779 of our Discipline desire to appeal a decision of a Committee appointed to adjudicate equities in the Parsonage property of the former East Bank-Marmet Charge. We are in hearty accord with the decision that we should receive one-third of the value of the property.

It is our candid opinion that they have placed too low a value on the property. If it be possible may we be granted a hearing on this matter as you and the Conference day direct?

Trustees of said Marmet Church,
F. E. CAMPBELL,
W. F. TURNER,
J. C. OSBORNE.

The undersigned Committee has considered the appeal of the Trustees of Marmet Church from the decision of the Committee appointed to adjudicate the equities in the parsonage property of the former East-Bank-Marmet Charge; and has heard all the appellants and the appellees had to say in support of and in opposition to said appeal, including the arguments presented by each and this Committee finds and hereby reports to the Conference that the appeal is not sustained and it is the considered judgement of this Committee that the decision of the Committee in regard to the valuation of the parsonage in question should be affirmed.

CHAS. W. EVANS,
KIRK WALDO ROBBINS,
HARRY SHAW.

OF THE WEST VIRGINIA CONFERENCE****Charleston, W. Va.****Sept. 23, 1943.**

The West Virginia Conference Deaconess Board held the regular meeting at dinner, 5:30 P. M., in McKee's Cafeteria in Charleston, W. Va., with Bro. W. A. Debar, the president, in the chair. Bro. W. R. Eskew opened the meeting with prayer.

The minutes of the last meeting were read and with several corrections were approved.

The following persons answered to roll call, Bro. W. A. Debar, Bro. W. R. Eskew, Mrs. Ward M. Downs, Deaconesses Willa Boynton, Mary Cameron, Myrta Davis, Lillian B. Ellis, Vera Falls, Ola Gilbert, Alta Ice, Nellie O. Stevens, Misses Mary Carol Cone, Rebecca Moddelmog, Carrie Brown, and Mrs. Erlene Aylor Tuell.

As none of the District Superintendents could be present Bro. Debar stated that he would ask that some definite person be appointed to represent each District Superintendent on the Conference Deaconess Board.

Bro. Debar then called on Mrs. Ward M. Downs to say something to us. She responded with words of greeting and encouragement.

The standing of each deaconess was approved by the officers of the Board.

Miss Virginia Tague, a newly appointed deaconess in the Bluefield District, was introduced and welcomed into the group. Miss Worrell, a retired deaconess from another conference, was also introduced and welcomed. Miss Worrell is now residing at Scott's Run Settlement.

Mrs. Downs announced that Miss Megan Pritchard had been employed as a kindergarten teacher at Scott's Run Settlement.

The Secretary was instructed to give transfers, when requested to Miss Arthelia Hilleary who is now in the Tennessee Conference, and to Miss Sara Kee in the North Carolina Conference.

The Secretary was also instructed to express the appreciation of the Conference Deaconess Board to the management of McKee's Cafeteria for providing a room so conveniently and tastefully arranged for our meeting.

A motion was made and seconded that the Conference Deaconess Board plan to meet at future times with a dinner meeting on the evening of the Anniversary meeting of the Conference Woman's Society of Christian Service. Motion carried.

DISTRICT SUPERINTENDENTS' REPORT

Bishop James H. Straughn and members of the Conference, Dear Brethren:

We your District Superintendents wish to submit the following report of our work in the Conference year 1942-43.

We feel that our task as a Great Church is to place greater emphasis on the purpose of living. To bend every effort, through the agencies of the Church to the "More Abundant Life" as we have known it in the fellowship of Christian Brotherhood.

Our State, with its resources of materials and manpower is putting forth every effort to win this Second World War and rightly so. There has been a constant drain on the community life of our people, going into the great industrial centers to aid in winning the war. Almost every home in our state has a service flag indicating loved ones who are out there, somewhere, ready to give their fresh young lives, that we here this afternoon may have this glorious privilege and that again and again we may meet and do the things we shall do in this Conference. 'Ere we shall meet again, many of those blue stars shall turn to gold. Their hopes, their dreams, their lives shall be blasted away. What answer have we for a time like this?

We, the members of the West Virginia Conference and the great host of Methodist throughout West Virginia have been selected to stay on a FRONT, that to our humble opinion is the most important front of any place in the whole wide world. Our purpose, our aim, our task as a great Church, now and tomorrow must be to create and maintain a spirit, an atmosphere that will be so Christ-like, that the evil tendencies of War cannot live and Brotherhood shall supplant Battlefield in the common conversation of every man, woman and child.

We Christians seek to be "More than conquerors." That will require blood, the kind that is given, that spiritual ideals may triumph. It will require toil but it must be the kind that Jesus referred to in this story of the Good Samaritan. There must be tears but not over the broken bodies of loved ones so much as over the destoryed souls that have waged a loosing battle against sin. There will be sweat when in our garden of Gethsemane we agonize over World conditions and praying that we of this century may Capture the whole wide world for our dear Lord and Saviour Jesus Christ.

SPIRITUAL STATE OF THE CHURCH.

This fact is indicated by the splendid reports that have come in on the Spiritual state of the church from all sections of the State. The glow of revival fires have been seen and felt in most all of our churches. According to reports a large number have been added to our Church Membership. We want to pay tribute to our good Bishop for his leadership in the field of evangelism. Through him our Conference was invited to participate in the Area "Home Visitation Evangelism." This effort was successful wherever it was tried and the instructions followed carefully. May we state here that most any evangelistic effort is successful if properly con-

ducted in this day. We feel that the time is here when every known method must be used in trying to reach the unsaved in our churches and out of our churches. Educational evangelism through our Church Schools goes hand in hand with Mass Evangelism and both find a warm partner in the Personal Evangelism that extends a welcome hand and warm heart to every man man everywhere, in the mine, the shop, the farm, the office and in the battle service of our Nation.

CHAPLAINS.

We wish to thank God for the splendid men that have gone from our Conference into the Chaplaincy. They are men of worth and will do us honor wherever they may be stationed to serve. We eagerly await their return when they may join us as comrades in our task of making Christ real in West Virginia.

CHRISTIAN EDUCATION.

Our Church Schools have been doing a remarkable work in this year of war. The attendance remains about the same in spite of many leaving our section for the army and industrial centers out of the State. Our summer program of Assemblies did excellent work in the face of many restrictions. 382 Vacation Church Schools have been held this Spring and Summer. This is an increase over last year. We feel that this is an indication of a trend in the right direction. West Virginia Wesleyan College at Buckhannon under the wise leadership of President J. W. Broyles has been doing unusual things this year and has made a steady march to the front. The importance of the regular liberal arts program has been before the administration constantly. The Dean of the College, O. D. Lambert, has been relieved of the Charge of the War Program at Wesleyan in order that he may give his entire attention and energy to the maintenance and the development of the College program. The center of this interest is directed toward the values and objectives of sound scholarship and Christian living. Following the War our Church and our Country must not find themselves in the position of being "too little and too late" for the requirements of the reconstruction. Our college is aware of its responsibilities. In the new year, just begun, a department of Religious Education has been set up with the purpose of preparing capable church secretaries, directors of Religious Education, and to broaden further the training of the preministerial student. The requirements of the post-war world will be especially direct in the areas of social sciences and of Religion. Peace must be achieved and is more important even than the achievement of victory in war. The new mission of the Christian Church must be seen clearly and must be supported by consecrated, capable, adequately trained leadership.

Twenty-three youth pursued studies leading to the Christian Ministry last year. The regular enrollment of the College was 332. Added to this is the summer school and extension group numbering 295. The aggregate enrollment at Wesleyan during the past year amounted to 1,439. Outstanding has been the effort and achieve-

ment given in the Greater Wesleyan Movement. Churches and Pastors from all parts of the Conference have worked loyally and sacrificially. While there is much to be done yet, the results to date are encouraging. The new year at the College starts auspiciously. There are many burdens and many problems. The prayers and counsel of our brethern and of all our people are earnestly sought.

MISSIONS AND CHURCH EXTENSION.

We find that one of our greatest needs in West Virginia is a greater knowledge of the deep need of our Mission work at home and abroad. We believe that if our people knew the great challenge of all the mission fields that there would be a devotion that would bloom into a great conviction in this all important matter. While we are paying our acceptance 100%, it only marks a pittance toward what we should do. WEST VIRGINIA METHODISM WILL NOT REACH HER NORMAL STRIDE, NOR RECEIVE HER TRUE SPIRITUAL HERITAGE, UNTIL SHE LAYS ON THE ALTAR OF THE LORD AN AMOUNT COMMENSURATE WITH HER GREAT WEALTH. We suggest that wherever there is a debt on any of our property that a special effort be made to liquidate the same this year. The Woman's Society of Christian Service has been invaluable this year in promoting the entire program of the Church. Many new societies have been organized, making quite an increase in membership. All of this has been accomplished through the wise leadership of the Conference President and her loyal staff. All these good Methodist Women of West Virginia are a counterpart of a greater group, "Who for the joy that was set before them endured the cross, despised the shame, and are set down at the right hand of the throne of God." We give humble thanks to our God for the Women of our Churches.

LAY ACTIVITIES

The men of our Methodism are far behind the women in their activities, yet there is an insistent increase in interest on the part of the men of our Churches. The preacher that hasn't found it so has failed to read or perhaps to interpret the disillusionment in the lives of men as they have found out that the scientific world that they created, isn't very staple nor satisfying. Here is our great undeveloped field of rich resources. Our Church has given special emphasis to the Youth Program and to the Woman's Program and rightly so. We now need an intensified program for the Men of Methodism. When a church loses its men it usually comes up with "Too Little, Too Late."

MINISTERIAL SUPPORT.

This has been a good year in the matter of Ministerial Salary Support. All indications are 100% will be payed on these items. Our average is steadily climbing upward but is still too low. Our minimum salary in both categories are far too low and we believe that these items should be increased if there is any possible way.

OUR SAINTED DEAD.

On this front where we serve there too have been casualties. Nine of our Conference Brethern, four Supplies and nine widows and wives have answered the last roll call here and have joined the Church Triumphant:

**BOARD OF EDUCATION REPORT NO. 1
REPORT OF THE EXECUTIVE SECRETARY TO THE WEST
VIRGINIA ANNUAL CONFERENCE**

September 22-26, 1943

Charleston, West Virginia

Bishop and Members of the Annual Conference:

It is with a deep feeling of gratitude that the privilege is afforded me to bring to you this Fourth Annual Report of the Board of Education of the West Virginia Conference. It will be my purpose to be brief, and to deal with fundamentals rather than with details.

Foreword

In order that all of us may have a better appreciation and understanding of the work of the Conference Board of Education, it is important to keep before ourselves the objectives and responsibilities as set forth in the Discipline.

You will readily see the enormity of the task. When we look at this great Conference with its more than 1,500 churches and schools, its 200,000 members with a constituency of approximately three-fourths of a million, one cries out—who is able?

But when we think of the great command, "Go teach," and when we realize that in our Conference there are 463 active pastors who are in charge of the total program of Christian education in the local church, and when we think of the 1,500 General Superintendents and when we realize that there are more than 12,000 teachers, to say nothing of the host of others who are officers in the Church Schools, we thank God and take heart.

It is the responsibility of the Board to undergird these Schools in their God-given task and give help, guidance, and encouragement to this work in every local church where help is needed.

In and around every church are men, women, youth, and children who are in great need. They have neither chart nor compass. They grope in despair, and sometimes in desperation. Is there nothing we can do? Jesus saw the multitude as a flock without a shepherd . . . "and when He had said He taught them . . ." People must have a better understanding of God. Christian principles must be applied during the post-war reconstruction period if we are to avoid a third world-wide conflict.

A detailed report has been made and filed with the Board of Education. In this report you will find that this year there were 1,000 individuals receiving credit recognition, signifying that the number had followed a prescribed course under an accredited instructor for a certain number of study and recitation hours. In addition there were 2,000 who did a definite amount of reading and study without credit. There was still a larger number which has benefited by prescribed reading, study, and fellowship.

In some of the larger centers the large training schools have suffered decreases. We hope to find the reason and apply the remedy. One thing has not decreased, however, and that is the need for training that is possible where Methodists can come together in large numbers for training in the ever-increasing task as religious leaders.

Increasingly the pastor will have to take the initiative in finding and training his leaders in the local school. If we could hear the recorded voice of the Master as He sent the disciples out to teach men the way of life there would undoubtedly be words of encouragement and of assurance of His confidence in their success and there would most assuredly be the note of *urgency* in His voice which they could not forget.

The Adult Department of the program of Christian Education is probably the least active and lags behind what might be expected of it. Young Adults are making slow but sure advances and are headed toward a program which will have far reaching significance. There is an active Young Adult Conference Fellowship which held its third successful Assembly last July.

Youth Work

The teen age is always a highly interested and interesting group. In these days of crisis and world tension youth runs the gantlet of adjustment. The old certainties must be re-thought and decisions made from the composite of the past and in light of exist-

ing circumstances. In such soul trying days the church is challenged to be aggressively Christ-like if a better future is to be molded and hammered into action. These are the days, then, when the church must do not less, but more. Youth needs the church and the church needs youth. Youth needs the steadying influence of a sustaining faith as revealed through the church and the church needs youth's invincible dream of a better world.

The last two years have affected a most profound change in the young people of our church. Most of this whole age group have suddenly been ushered into new and strange experiences. New and doubtful experiences lie immediately ahead. It has long been the practice to treat the youth group either as adults or as children, depending upon the convenience of the adult. For the past decade they were economically unprofitable so they were looked upon as children and treated as such. Suddenly, this has changed. The older young men have been assigned to the hardest tasks and called upon to assume men's responsibilities.

In spite of the fact that many youth were away either in the Armed Forces or in defense work, the Summer Assemblies were well attended and never was finer work done. Two hundred twenty of the two hundred thirty-five in attendance did work for credit.

A word must be said about the younger youth or Intermediates. It is this group which, according to surveys, is giving concern over its high rate of juvenile delinquency. These, too, by the very necessity of the case have been shoved up toward maturity and look upon themselves as oldsters without adequate training and experience. All this adds up to a new situation for home, church and school. Many old old forms of conduct are no longer obeyed or respected. The Church, through its evangelical and educational program, must recognize what is taking place in the lives and thoughts of this age group and still serve them. This year 450 of them received special training through the guidance of our Conference Board. Our goal is an Intermediate Camp in each District.

Children's Work

Perhaps the most important and yet the most neglected group in our midst are the children. Whatever may happen to grown-ups, if we are to perpetuate democracy and sustain Christian principles in the future, our children must not only be kept safe, but must have that opportunity of training that will make it possible for them to grow up to know and love God. Not one of them is expendable. We cannot afford to lose a second generation in succession—the children.

Outside the home there is no better institution for the child to look to than the Church; no finer help in training than the Church School. On the other hand no greater responsibility was ever placed upon the Church or greater privilege given than when Jesus took a little child and set it in the midst. I sometimes wonder if the child is not the common denominator of all our problems. When the home, the Church, or the state is builded around the child, it is built around the Christ and the Kingdom—for of such is the Kingdom.

The Board of Education this year has made an enviable record at this point. We have had more Vacation Schools than ever, more children in attendance than in any Conference in our Jurisdiction, and we stood fourth last year in all the Conferences in Methodism.

College

West Virginia Wesleyan College is no exception among the family of institutions which have had to face drastic and far-reaching changes and adjustments on account of war conditions. Notwithstanding the fact that these radical changes had to be made, under the efficient leadership of President Broyles and his associates, the work has gone on with smoothness and splendid efficiency.

There has been the finest cooperation between the College and the Board of Education. This is evidenced by the fact that a part-time teacher has been added to the faculty who will teach courses in Christian Education. This is in keeping with the recommendation of the Board of Education which for a long time has felt the need of specific college courses in this field.

Wesley Foundation

I wish we might have the time to hear of the truly Christian service that is being rendered by the Wesley Foundation, that was presented in a recent report to the Board of Education by Dr. Boyd. This work is so important that it deserves greater moral and financial support. At the earliest possible time, adequate attention should be given to better housing of this project to insure its ongoing work with the large number of Methodist students at our State University. More will be said about the Wesley Foundation later.

Fourth Sunday—World Service

One of the major responsibilities of the Board of Education is to promote the Fourth Sunday World Service offering in the Church Schools. The records show that there has been a rapid growth both in the number of schools observing the Fourth Sunday and in the contributions made. Last year there was more than \$10,000 increase over the year before. This year there will be a substantial increase over last year.

Last year the West Virginia Conference reported 10,000 loss in Church School enrollment. This year when the report is made you will hear that the decrease continues. Can you anticipate what this means for the church, the home, and national life? Not only the church of the future, but the nation of tomorrow cannot survive this kind of loss. It is prayerfully hoped that we will go back to our churches determined to put into actual operation a movement to stop this loss in our church schools.

Correct Training and Cold Facts Not Sufficient

Brethren, each of us has been assigned a place of leadership and responsibility. Some can do one thing better than another, some have peculiar capabilities, all have tremendous responsibilities; but no leader can escape these responsibilities nor take lightly the privi-

lege he has as leader in the field of Christian education.

It has been said there are enough tropical seeds scattered about over England each year, carried there by the Gulf Stream, the wind, and migratory birds, which, if there should be a rise in the mean temperature of only a few degrees, the land would blossom forth like a tropical garden. There is sown through our church schools, and through our church literature enough good seed that if we could raise the spiritual temperature just a few degrees and hold it the year round, there would be such a growth of stalwart Christians rise up in our country that could transform the world. To this end and in His name let us apply all our soul and strength.

A Chinese poet and philosopher centuries ago, was asked what is the most worthwhile thing in life. He replied,

"I am old

Nothing interests me now.

Moreover, I am not very intelligent and my ideas

Have never traveled further than my feet.

I know only my forest

To which I always come back.

You ask me what is the supreme happiness here below?

It is listening to the song of a little girl, as

She goes on down the road, after having asked me the way."

We cannot escape. You and I, in a very real sense, are standing at the crossroads where confused, frightened and lost men, women, and children are asking us the way. The Board of Education is anxious to help with the answer that will bring the "supreme happiness here below" as we listen to the song of men, women, and little children as they go on down the road, after having asked us the way.

REPORT OF THE CONFERENCE BOARD OF EDUCATION

REPORT No. 2

I. We commend the Executive Secretary and his staff and all our leaders in the field of Christian Education for their determined efforts to carry on in the face of great difficulties during the past year. We regret the loss in church school enrollment, but we are happy to report only a small decrease in average attendance.

REPORT OF COMMISSION ON EQUITIES

Brethren:

One of three alternatives may be agreed upon between the trustees of the Gaithersburg Home for the Aged and ourselves. These alternatives are set forth in the following memorandum:

A Memorandum of the meeting between representatives of The Gaithersburg Home for the Aged and the Chairman of the West Virginia Conference Commission on Equities held at the Methodist Building, Washington, D. C. on September 15, 1943.

"It is the mind of this meeting that one of several plans may be agreed upon, namely:

1. To continue as at present under Article 7, Sec. 3 of the By-Laws of the Home, so adjusted as to care for any churches which might eventually be transferred to some other district, and with adequate representation on the Board of Trustees. And furthermore, that the Home have the right of promotion in such churches at all times and the privilege of a special offering at least once a year.

2. That the Home discontinue any financial appeals in its West Virginia territory but continue to serve all the churches in that territory that were related to the Home before Union, for a period of five years, and assume full responsibility for the seven guests now resident in the Home.

3. That all responsibility to the Home on the part of former Baltimore Conference Churches now in the West Virginia Conference cease, and all responsibility of the Home toward any potential applicants from such territory cease immediately upon pay-

ment of \$2,000 by the Home to the West Virginia Conference."

Signed,

L. E. CROWSON,

H. M. WILSON.

Your Commission recommends that they be authorized by the Conference to continue these negotiations on one of these basis, or to the best advantage of all parties concerned.

Signed,

L. E. CROWSON,

C. W. PASKEL, Secretary.

REPORT OF THE COMMISSION ON EVANGELISM

Your Commission believes that the Church is facing today a great crisis, and yet one of her greatest opportunities to reach people with the message of Salvation. The evangelistic opportunity in America was never greater than today. The hearts of men are very responsive to the truths of the Gospel, and the war has caused many to turn to the Church for help in their spiritual lives. We believe that Christ is the only hope for mankind if we are to have a decent world in which to live. It is truly the day for the messengers of God to speak the whole truth, and tell a heart sick world that there is a balm in Giliad; there is a physician that can bind up the broken hearts of humanity.

Evangelism has been and must continue to be the very life of the Church; evangelism not in name, not in program and talk, but evangelism in practice and life. Not everything that goes by the name of evangelism is true evangelism. We wish to discourage the use of artificial stimulations sometimes used in our churches such as, sensational themes announced, prizes offered, spectacular stunts, and etc. We do feel that there is a true spirit of evangelism that is essential to all evangelistic activities. It is the spirit of an evangel, one who is possessed of a passion to deliver a message with effectiveness, one who feels keenly his own responsibility for the winning of others to Christ through his own personal witnessing, one who has a sincere love for people and a deep appreciation of their worth as God sees them. This true spirit of evangelism must find expression in every organization of our Church. We must cultivate it in our own lives by keeping bright and glowing within our hearts a sincere love for Christ and for all people that are lost, and endeavor to bring them to that glorious experience of religion that we call the new birth.

We are not so much concerned about the method of evangelism used as long as the proper results are obtained. The revival meeting is a time-tested method and has been used successfully through the years, and is still being used successfully in many churches. We urge the continuation of this method wherever advisable, and where local conditions make mass evangelism the most successful method of winning people to Christ. However there is another method as ancient as the revival meeting, and in many places it is more effective in reaching all of the people in some communities for Christ

and His Church. This Home Visitation evangelism that is being used so successfully through the Church is worthy of our most serious study. This past year in our Home Visitation Evangelistic campaign we secured 3,188 decisions for Christ, and 2,628 were received into our churches by transfers. These figures prove the worth of this method of evangelism, and our experience proves that it can be used successfully when the preachers and laymen are willing to put forth the proper effort.

We urge that all churches follow up this effort by using the laymen, and training them in this most important work of the Church.

The General Commission on Evangelism has prepared a number of leaflets and other publications to be used in the promotion of evangelism in the local church. Many of these are free, and others can be secured at a very small cost. We especially recommend the use of the Upper Room and Tidings in all of the churches in the Conference.

We recommend the observance of World Communion Sunday, and the follow up Loyalty Crusade as outlined by the General Conference Commission on Evangelism.

We recommend that City and District wide evangelistic campaigns be promoted where ever possible, and that each church in the Conference promote some type of evangelism throughout the coming year.

Your Commission has heard a report of the work of Brother Carl Looney, our Conference Evangelist. He has held sixteen meetings during the past year resulting in a substantial number of additions to the church on profession of faith. We, also recommend that he be continued as Conference Evangelist for the coming year.

Signed,

J. L. ROBERTSON, Chairman.

W. E. KEENAN, Secretary.

BOARD OF LAY ACTIVITIES**PROGRAM OF LAY ACTIVITIES FOR 1943-44**

1. The major objective of the Board of Lay Activities is to inspire the membership of our churches to prayerfully seek a more intelligent understanding of the total program of the Church. When the individual understands his place in this total program, there should come a new spirit of co-operation, without which we cannot build the Kingdom of God.

2. We urge the observance of Laymen's Day in every church. Moreover, we endorse the use of laymen in conducting worship services in every church every Sunday, under the direction and supervision of the pastors.

3. The Board urges every layman to dedicate himself anew to the task of keeping the church in contact with the absent members in the armed forces and in war work, and in making available the services of the church to their families.

4. We plan a conference-wide meeting of laymen as soon as conditions permit.

RESOLUTION

The Board of Lay Activities submits the following resolution:

That for the final year of this quadrennium the West Virginia Conference publish in the year book an honor roll of all churches which pay their acceptances on World Service and Conference Benevolences 100%, and that an earnest effort be made to have every church on this honor roll.

TO THE BOARD OF LAY ACTIVITIES OF THE WEST VIRGINIA CONFERENCE:

Even though war time restrictions made it inadvisable to hold a Conference Institute or a state wide meeting for laymen, and though many of our Lay Leaders have had to carry increased burdens and responsibilities in industry and in the war effort, the program of Lay Activities has advanced, in that more laymen have been taking an active part in their local church program. Reports from the various Districts of the Conference give emphasis to five lines of endeavor:

1—Excellent results were obtained in the field of Lay Evangelism wherever the Area-wide program of Home Visitation was really tried. Laymen who participated in this program received such a blessing that there is a demand for a continuance of Lay Evangelism on a Conference-wide program.

2—The observance of Laymen's Sunday was more generally observed than last year and from incomplete reports it is estimated that at least 60% of our churches observed Laymen's Sunday some time during the year.

3—In all churches where pastor and laymen were united and organized, the Campaign for West Virginia Wesleyan College was carried to a successful conclusion.

4—From all over the Conference have come reports of churches increasing their giving to local church budgets and to the benevolent

enterprises of the church. Many churches have paid off or reduced their debts.

5—A campaign to secure a larger attendance of Lay Members at the Annual Conference has had the earnest support of our Associate Leaders and our District Lay Leaders in sending out letters and notices to all Lay Members, urging them to be present at this Conference.

Our District Lay Leaders have made use of bulletins and letters to keep the laity advised and many have done much personal visitation. The loyalty and cooperation of all members of the Board has been greatly appreciated.

Your Conference Lay Leader was able to visit in 17 churches this last year, in 4 Districts. Many more invitations could not be accepted because of lack of transportation.

Our heartfelt thanks to Bishop Straughn, our District Superintendents, our Lay Leaders and our loyal laymen for their interest and cooperation. We greatly appreciate the fine support we have had from a goodly number of our Pastors. Our prayer is that Ministers and Laymen may unite to make this West Virginia Conference a truly great Conference in Methodism.

Respectfully submitted,

W. FOSS CURTIS,

Conference Lay Leader.

BOARD OF MISSIONS AND CHURCH EXTENSION

REPORT NO. 1

Report of Conference Missionary Secretary.

It is with joy that we note the increase of 11.9 percent by Methodist during the fiscal year 1942-43. Our people are responding to this mandate of the gospel in spite of the many urgent requests and exacting demands made by the emergency of war time. Reports reveal that last year our Conference made a gratifying increase of 10.9%, while this year it made a somewhat more gratifying increase of 11. plus % in giving to General and Conference Benevolences.

While it is impossible to accurately estimate the influence of the program of education and cultivation promoted by the General and Conference Boards, the Conference Secretary is convinced that it plays an important part in creating and sustaining missionary zeal and giving. As required by this program District Missionary Institutes were held in every district which were high hours of missionary education, information and inspiration. Then, perhaps, never in the history of Methodism has there been dispensed so much good missionary literature. No church should be without this splendid material which can be had for the asking. The Fourth Sunday emphasis on missions affords an excellent opportunity for both education and contributions.

THE CONFERENCE MISSIONARY SECRETARY RECOMMENDS:

1. That the Conference Board purchase a good motion picture machine for a program of visual education in the conference.
2. That during the years of war with their increase in income the reserve funds of the Board be substantially increased for the lean years that are certain to follow.
3. That every pastor be urged to distribute the Missionary Literature available from the Service Department.
4. That every District of our Conference plan for and promote a District Missionary Institute with primary place given to and chief emphasis upon the cause of Missions.

Respectfully submitted,

L. D. ROE,

Conference Missionary Secretary.

RECOMMENDATIONS

1. The Board of Missions and Church Extension of the West Virginia Conference recommends that Bishop James H. Straughn reappoint L. D. Roe to the office of Conference Missionary Secretary.

2. The Board of Missions and Church Extension requests that each District Superintendent be authorized to confer with his District Lay Leader and District Missionary Secretary in the preparation of his askings for Ministerial Support from this Board for the next Conference year 1944-45. That the askings be listed in their order of preference, and that the Missionary Secretary be directed to represent his Superintendent where necessary, in the presentation of such facts and information that will aid this Board in arriving at just and accurate estimates of needs in the several charges. These askings to be presented at a summer meeting of the Board, the time and place to be announced later by direction of the Chairman.

3. The Board of Missions and Church Extension nominated for membership on the General Board of Missions and Church Extension the following persons: Ministerial nominee R. Moorman Parker and Lay nominee Mrs. Myron S. Collins.

4. The Board of Missions and Church Extension recommends C. L. Harshbarger, Conference Treasurer, be authorized to invest at least \$3,000.00 of funds credited to the Board of Missions and Church Extension, Section of Missions, in securities of the United States Government of such type that may be converted into cash upon reasonably short notice. That the accumulated interest thereon be placed in the reserve funds of the Board.

5. That Superintendents be permitted to make minor changes in askings after adjournment.

Respectfully submitted,

I. S. TYLER, Chairman.

HOMER W. WISEMAN, Secretary.

SPECIAL COMMISSION—SUSTENTATION AND MISSIONS

Report of Special Commission, set up to study Sustentation and Missions in relation to their overlapping areas and any possible inequitable comparisons between charges receiving aid, future home Missionary activity, and efficient procedures.

Since during the present quadrennium the Plan of Sustentation has been set up and now definitely is established, we make the following recommendations:

FIRST: We recommend that the Board of Missions and the Board of Administration of the Sustentation Fund work cooperatively until the election of members for the next quadrennium that the Sustentation Fund be administered by the Board of Missions.

SECOND: We recommend that the section of the Board of Missions which makes missionary apportionments to the new charges shall administer the Sustentation Fund in the new quadrennium.

THIRD: We recommend that this special Commission be continued until these two Boards become one.

H. W. WARE, Chairman.

R. M. PARKER, Secretary.

PERMANENT TRUST FUND

I am herewith submitting my report as Executive Secretary-Treasurer of the Permanent Trust Fund Association. The past year has again been one of activity on the part of your Secretary, that in spite of rationing of gas and some hindrance in travel.

The funds held by our Trust Fund Association are all bearing interest and dividends with but few and those are small exceptions. The interest rate will show an average of a little beyond three per cent. The funds formerly held by the Western Virginia Conference are still held by the Missouri Corporation of the former M. E. Church, South, while the funds formerly held by the Methodist Protestant Church have been turned over to our Trust Fund with the exception of a small block of stock, which it seems best to leave as formerly held, at least for the present

The Davis estate in Parkersburg has been entirely settled during the Conference year. That estate yielded something beyond forty-five hundred dollars. The proceeds from the estate have been invested in Government securities.

The following is the tabulation of our holdings:

Former M. E. Church:

Productive endowment, book value\$240,850

Addition during Conference year 22,700

Total\$263,550

In addition to these investments there are regular incomes from:

Eighteen shares of Marion County Building and Loan.

Hope Natural Gas Company.

Mutual Preachers' Aid Society.

Mary E. Gamble Fund.

Designated gifts regularly received from Mrs. W. D. Fulton and Mr. J. Morgan Clarke, of Wheeling, W. Va., through Mr. R. B. Nay, Treasurer of Fourth Street Church, totaling this year \$375.

Former M. E. Church, South:

Total investments with the Board of Pensions,

Missouri Corporation\$53,840

Beckett estate 9,300

Total\$63,140

Still held from M. P. Church\$ 6,850

Total holdings\$333,540

This in addition to lots received through wills during the past Conference year that are as yet of undetermined value.

Income from investments during year\$ 10,200

Respectfully submitted,

S. B. HART, Secretary-Treasurer.

Be it therefore

RESOLVED, That we place on record our sincere thanks to Bishop Jas. H. Straughn for his able presidency over each session of this Conference, his brotherly and wise guidance through the problems that confronted us, and for his challenging and inspiring messages each day, urging us out to yet deeper experience in Christ. To Dr. Frank L. Shaffer, Superintendent of Charleston District, and to Dr. L. Riggelman and his Committee on Entertainment and

Arrangements for their pains-taking preparation for our coming.

To the pastors and people of our churches in this city whose homes have been graciously opened for our convenience and comfort, and to their choirs for their leadership in the ministry of music and their special renditions for our edification.

To the Statistician and his staff, the Secretary and his corps of assistants for their willing service foregoing much of the fellowship of the Conference sessions affords to attend the duties of their specific office.

To the City of Charleston for the many courtesies it has extended and the magnificent facilities it has afforded us.

WHEREAS, The Northeastern Jurisdictional Conference of our Church with powers of Episcopal assignment convenes before the next session of our Annual Conference, be it therefore

RESOLVED, That we assure Bishop Straughn of our whole-hearted appreciation of, and sincere gratitude for his able leadership which has accrued such great successes to the Church in general and our Conference in particular during this period of his episcopacy. For his exemplary service which so beautifully reflects the sympathetic understanding of all our problems, and the efficiency and effectiveness of his administration. Be it further

RESOLVED, That we respectfully request the Northeastern Jurisdictional Conference to re-assign Bishop Straughn to our Pittsburgh Area, that we urge our delegates to said Conference to use their good offices in support of this request, and that a copy of this resolution be sent to the Committee on Episcopal Appointments.

WM. KNOX, Chairman.

J. R. BRIGHT, Secretary.

SURVEY COMMISSION

The District Superintendent's report of last year, read by Dr. C. W. Fink contained the following paragraph:

"Vast areas of our state are undergoing rapid changes in social, economic and industrial life. These changes are producing problems and opportunities for the Church that must be faced if we are to minister properly to this age and meet our responsibility to our State and to the Kingdom of God.

We, therefore, recommend that a Commission on Survey be set up by this Conference, composed of at least nine members, to be appointed by the president of the Conference, whose duty it shall be to make a thorough survey of the church in all its divisions and activities and report back to the next session of our annual Conference."

The lay members of the Commission as named by Bishop Straughn are: L. C. Shingleton, G. W. Bright, Clay Whetsell, J. S. Sanders and Judge C. C. Chambers.

The ministerial members are: J. E. Hanifan, J. B. F. Yoak, Jr., A. J. Walton, A. E. Bennett and W. S. Boyd.

The Commission met for its first session in Clarksburg in November of last year. It required only a very brief preliminary discussion of the proposed field of inquiry to convince the members of the Commission that they had been given a large and difficult, but very important assignment.

It was readily agreed that the swiftly changing scene of American life is presenting Methodism in West Virginia with problems, both for the immediate, and the more distant future, for their solution will demand the wisest, most thoroughgoing, most consecrated study, which the members of this Conference can give to them.

Changing population situations, the dislocations of family and community life brought about by the war, tragedies have overtaken hundreds of open country churches, the impoverished life of many small churches in small towns and villages, the overlapping of fields in larger centers resulting in a spirit of competition rather than cooperation, the immediate necessity of devising a better plan for the recruiting of a trained ministry, the correlation of the work of the various boards and committees of the Conference in order that our money and our energy might be expended with greater efficiency, the discovery of the reasons why ministers and laymen and churches do not produce better results.

These are some of the things which the members of the Survey Commission were very quickly made conscious, and which they took to be within their purview.

Members of the Commission wish to point out to the Conference that this is not an assignment which they sought, or took upon themselves gratuitously. Some fears were expressed that this Commission might assume some of the aspects of a too powerful

bureaucracy interfering too directly with the interests of Conference members or Conference Board or churches of the Conference.

No fears of this kind need disturb anyone for nothing awaits anyone serving on this Commission save hours of unspectacular hard work. It is a Committee assignment from which any of the present members would very cheerfully be excused. On the other hand it is a Committee which simply must have the fullest cooperation of the District Superintendents and all members of the Conference, as well as Lay officials of the Churches, if its work is to be fruitful in any degree.

Your Commission proceeded on the assumption that as a Conference we must first know what our problems are. As a matter of fact there are few of us who now do know what our problems are.

Probably no Conference in Methodism has had greater difficulties since Unification in achieving an awareness of its new life as an organization. Our immense size, our amazing mixture have made the mere task of becoming acquainted with each a laborious process.

Immediately following the organization of the West Virginia Conference at Fairmont in 1939 we were suddenly plunged into the spiritual, moral and psychological problems of a change over from a peace time to a war time economy.

Men and women out of our churches began to heed the call to war industry centers, our young people began to move toward the armed forces and our ministers began to feel the call of the chaplaincy. Communities began to change with such swiftness that our churches in many instances found themselves incapable of revising their strategies to meet new situations. Cities like Charleston, Point Pleasant and Morgantown found themselves overwhelmed by new industrial developments bringing in crowds of new people, with no adequate community technique to meet the new problems or opportunities.

Thus it has been through this quadrennium of confusion and tragedy that West Virginia Methodism has had to try to find itself and organize itself into a coherent and unified agency for the work of God.

That we have not been more successful is no particular reason for self-condemnation. However, our failure from this point on to focus our best thinking and our most consecrated judgement, always under the guidance of the Spirit of God, will leave us open to the charge of sinful neglect.

We can do better, if we know and understand our real difficulties and our real possibilities. The Survey Commission exists for the purpose of finding out, with your aid and cooperation what these difficulties and possibilities are, and then, also with your aid and cooperation determining what to do.

At the meeting in Clarksburg the procedure adopted was to raise committees in each of the Districts, under the leadership of the District Superintendent, consisting of the District Superintendent, one minister and one laymen, with a member of the Con-

ference Survey Committee serving on each District Committee, for the purpose of acting as a liaison person between the Conference and District Committees.

Questionnaires were prepared for the purpose of ascertaining the present situation in each district and given to the District Committees for their guidance. Four questionnaires were prepared, dealing with the churches themselves, the ministers, social conditions and industrial and economic conditions. It was deemed advisable to circulate only the questionnaire dealing with the churches themselves, for the present. Unfortunately these questionnaires were returned too late to give the committee sufficient time to study them or to arrive at any conclusions. At the time this is written seven district committees out of eleven have reported, thereby leaving so large an area of the Conference out of our consideration that only a very partial report can be given.

Practically every District in the Conference has the problem of overlapping fields; in most districts there are situations where mergers should be effected immediately. In some districts there are possibilities of establishing churches in suburban communities which might well be expected to be self-sustaining congregations in the not distant future; practically every district has its field which is now considered purely missionary.

These are preliminary conclusions, to be sure, but enough information is at hand to convince the Survey Commission that the Conference should consider carefully the following suggestions:

1. The District Superintendents should be urged to give more aggressive leadership in all the matters discussed in this report. This certainly is their field. It would not be entirely visionary to consider a plan whereby one of the District Superintendents might be set free from the administrative responsibilities of any special district, his routine work divided among the other Superintendents, and he be set free for a quadrennium to do the work of a Church Extension Secretary throughout the entire Conference. Thus his specialized leadership would be made available for planning the large and more far sighted strategy which the situation demands. Further the District Superintendents might well be asked to utilize the District Conferences during the coming year for a study of the districts with all these matters in mind. Charts and diagrams could be prepared showing what is happening from the standpoint of statistics; resources, persons, such as County Agents, Secretaries of Chambers of Commerce, Labor Leaders, Educators, and others could be called in to share their knowledge of industrial, economic and social changes which are effecting the life of our churches. The laymen and ministers of every district in the Conference could well afford to spend considerable time becoming acquainted with the districts from the standpoint of this larger strategy which alone will enable us to claim the future for the Christian faith.

2. The Boards of the Conference should take steps in the immediate future to ascertain whether they are using effectively and efficiently the energy and time and money which goes into their

programs; whether there is any overlapping and whether closer cooperation in the preparation of programs might not pay larger dividends. Specifically, there are many areas of activity and interest where the Board of Education and the Board of Missions run parallel if they do not overlap. Last year this Conference invested \$57,000 or such a matter in the work of these two Boards. It is suggested that at least the Chairmen and perhaps the Executive Committees of all Conference Boards which receive Conference funds be brought together to study their relation to each other in the interests of efficiency.

3. Steps should be taken in earnest to do something about the 'so-called Rural Church problem.' This seems to be a mis-nomer. There is an 'open Country Church' a small town or village church, a suburban church, and a city church. Perhaps there are other divisions that might be made, but there are these. They offer unique problems. But the impoverished church in the open country, and in the small town and village, which has been said to provide the major part of the strength of the large suburban or city church, is in a bad way. It is not likely to be the source of tremendous strength in the future which it has been in the past. Is it a problem of leadership? Ministerial leadership? Lay leadership? What is the answer? Will it be necessary to invest the rural ministry with some sort of prestige which it does not now have? How can this be done? Are we not under the vicious influence of a kind of materialism which gives prestige to the pulpit in the large church which pays the large salary? What sacrifices are we willing to make collectively, Bishops, District Superintendents, Board Secretaries, Editors, Pastors, to see that the prestige of the ministry is not all absorbed by a small minority of our ministers. Unless we can give an over-all lift to our ministers in standing and prestige, we are not going to provide the type of leadership which can alone redeem the situation in a countless number of communities where we are now all but completely defeated. It is at least an open question whether we would not do as well to withdraw completely from a good many communities to which hopelessly underpaid ministers go to a hopelessly impossible task. It will not do to say we cannot do anything about this problem. We must do something about it—or else. Someone else will take up where Methodists leave off.

4. We believe the study should continue, although we do not ask ourselves to be continued. The Committee should be reconstituted to include at least one representative from each district. The nature of the Commission's task is such that those be chosen for it who believe in it.

5. The Commission makes no specific recommendation at this session except that the District Superintendents be requested to complete the Questionnaires at the earliest possible date and that they take the time to seriously and honestly study these representations.

**REPORT OF THE BOARD OF ADMINISTRATION
OF THE SUSTENTATION FUND**

Your Board of Administration of the Sustentation Fund proposes the following plan of Sustentation under Paragraphs 810-813 of the 1940 Discipline.

BE IT RESOLVED:

1. That the West Virginia Annual Conference of the Methodist Church establish minimum salaries in two categories:

(1) Traveling Preachers of our Conference in Full Connection.

(2) Preachers on Trial and Accepted Supplies.

2. That the minimum salary for the first category be \$875.00 and for the second category—\$725.00.

3. That the Conference raise a Sustentation Fund by (1) apportionments to the pastoral charges consisting of one per cent of their apportionment for the pastor's cash salary and (2) by an equitable apportionment of one per cent "on the part of the salaries of all Effective Ministerial Members" of the Conference "above the minimum salary fixed." And the Commission on World Service and Finance shall allot that percentage of the Conference Benevolences which shall be necessary to reach the minimum.

4. That the above section be modified by the following provisions: (1) No beneficiary of the plan may receive more than \$300 per year.

(2) The pastor of no charge lowering the pastor's salary in any year shall be eligible for aid from the Sustentation Fund the succeeding year, unless the Board of Administration of the Sustentation Fund be convinced on written representation of the District Superintendent that an exception should be made.

(3) Pastors of charges failing to pay as much or more on ministerial support, or as much or more on benevolent acceptances, as was paid the previous year shall not be eligible for aid in the succeeding year, unless the Board of Administration of the Sustentation Fund be convinced on written representation of the District Superintendent that an exception should be made.

(4) No one shall become a claimant on this Fund who has other equal means of support except such as may be furnished by the Board of Missions and Church Extension and the Board of Administration shall be informed in writing of such cases by the District Superintendent.

(5) That disbursements of claimants shall be made at the end of each quarter.

(6) That the District Superintendents be urged to hasten all practicable consolidations of churches within charges in order to make possible the independent payment of the minimum salary adopted.

(7) That this fund shall be made the same as an item of ministerial support and the District Superintendent shall be charged with responsibility for supervising the collection of the prescribed percentage along with all other such items.

(8) Remittances shall be made by the Conference Treasurer on the authorization of the Board of Administration.

(9) That the annual Conference Board of Administration of the Sustentation Fund be set up. This Board shall be nominated quadrennially, by the Cabinet and elected by the Conference, and shall consist of five clerical and three lay members and shall adopt their own rules of procedure so long as they are in harmony with this total plan.

BOARD OF TEMPERANCE

The Conference Board of Temperance offer the following as its report for the year 1942-43.

We protest against the proposal to turn over to the distilling industry a portion of the nation's limited supply of grain for the manufacture of alcoholic beverages. In the face of a hungry world, and in view of the peril to our country, such a proposal is treason to our national security as well as humanity.

Growing evidence of the control of both state and national governments by the organized liquor traffic, distillers and brewers, and the inability of the people's representatives to cope with the evil, once more emphasizes the necessity of constitutional abolition and outlawing of the iniquitous traffic.

The liquor traffic is just now carefully, but with great determination trying to promote relaxation of the restrictions upon the manufacture of whiskey and other distilled spirits.

BEER AN INTOXICANT: The ten year old fraudulent claim that 3.2 beer was a non-intoxicant has been dealt a death blow by the decisions of Judge Lewis C. Miller of Ripley, Judge Jake Fisher of the Fourteenth Judicial Circuit of West Virginia, Judge Chambers of Logan and Judge Ferguson of Williamson. The decision of Judge Fisher while not binding until supreme court action is taken will have widespread and grave results.

The Bluefield Telegraph, dated May 13, 1943, said:

"It is well known that the Congress session in the Spring of 1933 enacted falsely when it incorporated into statute that 3.2 beer was non-intoxicating, and we have always known that the West Virginia legislature which put into our state laws the glaring falsehood that 5 percent beverages were non-intoxicating and demonstrated that they were either colossally ignorant or were deliberately perpetrating a fraud on the people which would lead to the debauchery of the youth of the state, as the beer joints are doing."

Judge Fisher brings his conclusion as follows:

"The court holds that the beverage complained of is in fact intoxicating, and that it is violative of the inhibition of the amendment to permit the consumption of it at the licensed place, complained of, and that such consumption should be enjoined."

DISTILLERS AND BREWERS ANSWERED—

"In answer to the "Old Judge" advertising which has appeared across the Nation, the "American Business Men's Research Foundation" (Chicago) has prepared a series of "Mat forms" in answer. Some four or five have already been projected, while the series will be of twelve or more. These "mats" are furnished free, and Ministers and Laymen interested in the propagation of temperance and Moral Reform are asked to write to the American Business Men's Research Foundation, Suite 1537, 53 W. Jackson Blvd., Chicago, Ill.

WASTING MAN POWER HOURS—The liquor traffic is wasting 330,000.00 hours of manpower in America yearly. Absenteeism is devastating American industry. Dr. Frederick W. Slobe, Chicago, in a discussion of the problem, states in his findings that

eleven percent of all such manpower loss was caused by alcoholism. Illinois State Medical Society Convention. Three billion man hours were lost in our Nation last year, and the National Association of Manufacturers announced that absenteeism has increased 56 percent.

DEPLORABLE TEEN-AGE CONDITIONS—J. Edgar Hoover, Director Federal Bureau of Investigation in the August number of the "Voice" calls attention to the "tragic trends in teen age groups." The article is of very great importance to every community of West Virginia, and the Board asks that it be brought to the attention of our Methodist congregations within West Virginia. That our ministers use the article for the information of our young people, to the end that greater protection be secured for the Methodist Youth of the state.

THE STATE'S TEMPERANCE AGENCIES:—That our Conference again pledge itself to the support of the West Virginia Anti-Saloon League, the Woman's Christian Temperance Union, and every other available agency, and above all using the facilities of the Methodist Board of Temperance, Washington, D. C., for any help needed to further the cause of temperance within our Conference.

We desire as a Conference to record our grateful recognition of the work and success of the West Virginia Anti-Saloon League during the past decade under the direction of Superintendent B. E. Ewing and especially to express our gratification and encouragement over the tremendous increase in temperance sentiment in West Virginia during this period as indicated by the one-sided dry majorities in the House of Delegates, which was an outstanding phenomenon of the last session of the Legislature.

Our earnest prayer and best wishes for continued success go with our retiring Superintendent as he goes immediately to Pennsylvania to succeed Dr. F. Scott McBride as Superintendent.

While we regret that Brother Ewing will no longer be in our midst to counsel and lead us, we do rejoice in his promotion; and we express our confidence in and unfailing loyalty to his successor, Rev. L. J. Priestly, who is a minister of the Gospel in our own state, who is thoroughly familiar with the problems and program of the Temperance forces of West Virginia, and whose faithfulness and abilities are so recognized by the Anti-Saloon League Board of Trustees that he was elected Superintendent without opposition. We pledge ourselves to cooperate whole-heartedly with the West Virginia Anti-Saloon League under Superintendent Priestly's leadership.

Your Board of Temperance suggests the following be representatives of the West Virginia Conference of the Methodist Church on the Board of Trustees of the Anti-Saloon League, and respectfully as Bishop Straughn and the Cabinet to this work: J. C. Buckley, W. R. Eskew, S. Charles Jones, B. W. John, J. R. Norman, G. K. Patty, R. O. Phillips, W. L. Reid and Frank L. Shaffer. Members at large from the Conference include the following: R. C.

Boothe, O. J. Morrison, T. A. Thomas, D. O. Blagg, C. R. Morgan, Mrs. W. W. Reid, James E. Scott, Harvey Harmer and George Strader.

STATE POLICE—We deplore the orders that have recently been issued to the West Virginia State Police, in that they have been told not to molest certain evil agencies within and without our municipalities. We recommend our State Police for their faithfulness in the protection of our highways and people in past years, and respectfully urge the State Department of Police to recind any order or any suggestion that would hamper our State Police from enforcing every law designed for the safety and protection of West Virginia people and institutions.

CRIME SITUATION—The crime situation has been brought about probably in part can also be attributed to the foul language and exciting situations displayed in our theatres, popular novels, and sex periodicals which are distributed generally in every community throughout the state.

Respectfully submitted,

S. CHARLES JONES, Chairman.

W. R. ESKEW, Secretary.

REPORT ON WORLD PEACE

THE CHURCH AND WORLD PEACE:

In this fateful hour the church is definitely interested in the Peace Problem. It must give earnest thought in order that it may play its proper part in this great undertaking. It would be a tragedy indeed if the War were to end and no peace plans were prepared. Truly, the peace may be lost a second time through the indifference of world leaders. Fortunately, there are abundant materials for such a study of the Peace Program. We recommend the serious study of the Deleware Report and endorse in outline the positions there taken.

We believe the Protestant Churches ought to seize the present opportunity. Already it is evident that the Roman Church plans to capitalize on the coming Peace Conference, and to play a prominent part in the same. The Head of the Roman Church cannot speak for Protestants, though he assumes the right to be the voice of all Christian Churches. Protestants should be prepared to speak for themselves.

It is unlikely that either the Roman Church or the Protestant Churches will have direct part in the coming Peace Conference. It would be well if representatives of all church bodies could have part in the Peace Conference, but it is not at all likely that this honor will be accorded to the Leaders of any church body. There-

fore, we must find ways and means to influence the Peace. We can do this, first of all, by awakening our churches to their part in this program. We must use every avenue open to us to publish abroad the true basis of peace. If a lasting peace is secured there will have to be the acceptance of Christian Principles and Teachings. We may demand the recognition of these teachings and a Peace built solidly upon them. We ought to use the newspapers, the radio, the screen, and the printed page as well as our pulpits, platforms and church publications to further these ideals. Every pastor ought to give careful study to these problems and be familiar with the current literature available. Forums and Institutes should be conducted wherever possible.

We must lend our help in the policies of cooperation with other nations. We do not demand the surrender of our national sovereignty. But we shall use our best endeavors to lead our people away from the idea of Isolationism, and insist that this country must actively participate in world affairs. America is now called to a glorious leadership in the interest of neighborly relations among all peoples,—And the conduct of International Affairs on the Basis of Brotherhood. Every phase of exploitation of weaker peoples must stop. The strong must help the weak, for this is a First Principle of our Christian Faith.

A great hour has come for our churches to have a voice in making international policies. The church is the repository of the first principles required. Let us proclaim these principles with new power and urgency, and rededicate ourselves to the task of building a friendly world, in which Christ may be enthroned, and the blessings of Peace be secured for all peoples.

trust funds of the Association in the amount of \$500,000 during the calendar year 1945, we your Commission on World Service and Finance to whom such resolutions were referred by this Annual Conference, after due consideration wish to report: (a) That we are in sincere accord with the proposal to increase the Permanent Fund.

VII. MEMOIRS

WILLIAM WALLACE WORKMAN

Since the adjournment of the last session of Conference the roll of our retired ministers has been reduced by the death of William Wallace Workman on October 31, 1942, at his home at Pine Knob, Raleigh County, West Virginia.

He was born in Boone County, West Virginia, April 16, 1852, the son of James and Rebecca Workman. He was a member of the Methodist Episcopal Church for 82 years, having been received into membership at the age of eight.

Rev. Workman entered the ministry in 1886, was admitted to the West Virginia Annual Conference in 1891, but after a few years in the effective ranks of the ministry he was forced to retire because of ill health. He served many circuits and charges in southern West Virginia and Virginia, and continued to carry the word of God as long as his health permitted.

He is survived by his widow, Chloe L. Workman, five sons and five daughters, 36 grandchildren, 45 great-grandchildren and one great-great-grandchild. M. Arthur, a son, is pastor of the Methodist Church in Port Washington, N. Y.

Thus we pay tribute to the earthly journey of one of the Lord's servants, who in early life gave promise of long years of splendid service, but who was denied much of his life's ambition because of ill health. But the influence of these years will long live in the lives of many whom he influenced for the Christian life. More than forty years of physical suffering failed to shake his faith in his God.

—B. T. TREVY

W. T. W. SLEETH

On May 22, 1869 W. T. W. Sleeth began the earthly pilgrimage and on October 22, 1942 he found the soul's desired haven. Having been admitted to membership in the West Virginia Conference in 1893, he was for nearly fifty years, proud to be known as a Methodist Preacher. And such was his integrity as a Christian man and faithful minister, that his brethren in the Conference were equally proud to call him one of their own.

He was united in marriage to Rosa Jeffrey on November 27, 1894, sharing with her the experiences of a parsonage home until her death in 1911. To this union were born five children, Retta Alice and Mrs. Samuel W. Boone, deceased, and James R. Sleeth, of Washington, D. C., Mrs. Roy E. Boone, of Morgantown, W. Va., and Mrs. J. H. Given, of Cowen, West Va.

On April 10, 1912 Brother Sleeth was married to Pleasant Kendall of Rymer, W. Va. To this union were born two sons, Lt. Clark K. Sleeth and Dr. Charles R. Sleeth of Princeton, N. J.

After his many years of active service in the itinerant ministry Brother Sleeth came to Morgantown with Mrs. Sleeth to spend

the closing years of his life. There he identified himself with Wesley Church and gave to it the inspiration of his gracious presence. In this church funeral services were held under the leadership of Bernard Gibbs, N. L. G. Anderson and W. S. Boyd, with interment being made in East Oak Grove Cemetery.

Blessed are the memories we hold of him. Grateful we all are that we had as one of our brothers beloved, Rev. W. T. W. Sleeth.

JOHN F. COWAN, D.D. LIT D.

"Know ye not that there is a prince and a great man hath fallen this day in Israel", and a large place is left vacant because of the going of John F. Cowan. Dr. Cowan was a native of Griffiths-ville, New York, where he was born April 5, 1854. After a sojourn of more than 88 years, in which he exerted a wonderful influence upon the religious literature of America, he passed through the gates of death into the glory of a new life beyond.

When Dr. Cowan was a young man the family came to Burrs-ville, in Caroline County, Maryland. Here young Mr. Cowan was converted under the ministry of Rev. W. G. Holmes, and united with the M. P. Church. Under the pastorate of Rev. John L. Straughn he was licensed to preach. The next year he traveled the circuit as assistant to Rev. W. A. Ames, who advised him to go to the West Virginia Conference, as they were in need of more young men. Acting upon this advice, he came to the West Virginia Conference at its session held at Mt. Morris, Pa., in 1877. He was received and assigned to the reorganized Morgantown circuit, where he found a delightful home in the family of Nichols Vardervort. The next year he was appointed to the Grafton station, which he served for three years, and took the organist, Miss Rebecca McClaskey, for his wife. She died at San Diego, California, in 1941.

Dr. Cowan resigned the Grafton pastorate to attend Adrian College, and in 1883 he was called to serve the church at Fairmont (now the Temple). While at Fairmont he was elected editor of the denominational Sunday School literature, with his office at Pittsburgh, Pa. After fifteen years of arduous work, during which he brought the Sunday School lesson helps up to a high standard excellency, he was offered the assistant editorship of the Christian Endeavor World, at Boston, which he accepted, and for ten years enjoyed the most delightful fellowship of his life. Having suffered from overwork he went to Jamaica to rest for a winter, and while there was invited to take the pastorate of the American church at Kohala, Hawaii, which he served for ten years, and then returned to California and made his home at San Diego.

PAUL A. SCOTT

Paul Anderson Scott, son of Marshall and Carolyn Phillips Scott, was born at Mabie, W. Va., February 6, 1877, and passed

away March 19, 1943, at his home at Hettie, W. Va., aged 66.

When he heard the Master's call he accepted, and began at once to prepare for his life work as a minister of the Gospel. In this capacity he remained a faithful preacher of the Word until the larger call came, being pastor of the Kanawha circuit at that time. His surviving family are recipients of the sincere sympathy of the many friends he made during the years of his ministry.

Funeral services were conducted by Rev. M. E. Burns at the parsonage in Hettie, after which the body was taken to the Mount Union Church in Upshur county, where further services were conducted by the District Superintendent, A. Coleman Brown, Dr. K. W. Robins, Rev. H. C. Shafer, and Rev. George Tenney. Burial was made in the Mount Union Cemetery.

JAMES D. BELL

Rev. James D. Bell, for thirty-one years, a minister of the Gospel in the Methodist Church, passed to his eternal reward in the Charleston General Hospital, Charleston, West Virginia, April 19, 1943 at the age of sixty-two years. Brother Bell was born and reared in Troy, Alabama. He was educated in the public schools of his native state and Meridian College, Meridian, Mississippi. In his early life he was engaged in the newspaper work. In 1911 he was admitted on trial as a traveling preacher in the South Carolina Conference of the Former Methodist Episcopal Church, South, where he served successfully until 1919 when he transferred to the Western Virginia Conference. In the Western Virginia Conference he served the following charges: Louisa, Ky., Summersville, Greenup, Ky., Rivesville, Prestonsburg, Ky., Centenary, Ashland, Ky., Paintsville, Ky., Darlington, So. Charleston, Eastbank, Ravenswood, Hurricane and Gassaway.

When his health failed and it became necessary for him to retire from the active ministry, he moved with his family to Charleston, where he lived until his death. He leaves his wife, Mrs. Mary Ida Bell and seven daughters. Funeral services were conducted at the Bartlett Funeral Home, Charleston by Dr. F. L. Shaffer, Rev. G. H. Farmer and Rev. O. H. Dorsey. The body was then removed to the Centenary Church, Ashland where Dr. H. L. Clay conducted brief services. He was laid to rest in the Rose Hill Burial Park, Ashland.

A good man has fallen. Brother Bell was a strong gospel preacher. He was fearless as he dealt with wickedness, yet tender as a mother as he exalted the Christ.

—O. H. DORSEY.

GEORGE R. THOMAS

Rev. George R. Thomas became a minister in the Methodist Episcopal Church about thirty-five years ago. His beginning in this office promised excellent returns for the Kingdom of God, as he

entered with vigor and success upon this work; but after a few years he suffered a nervous break in health and was soon compelled to take the retired relation, which relation continued up to the time of his tragic death during the Conference year just passed.

His wife preceded him in death by several years, and his years of retirement were spent in Charleston. Funeral services were conducted by Rev. J. S. Thornburg and Dr. Joseph Overmeyer.

ABRAM B. MOORE

Brother Moore was born Jan. 13th., 1853, near Meadowville, Barbour County, W. Va., and departed from this life to his eternal reward, May 14th., 1943, at the age of 90 years, four months and one day. Before entering the ministry he taught in the public schools for eighteen years, and served one term as county superintendent of his native county. Brother Moore united with the Methodist Episcopal Church, South, at Central Chapel of the Meadowville circuit in 1889, and was licensed to preach and admitted into the Western Virginia Conference of that Church in 1894.

Brother Moore was twice married. To the first union three children were born: Mrs. J. Straud Freeman, of Rivesville, W. Va., at whose home he passed away, Mrs. Porter L. Skidmore, of Elkins, W. Va., and one son, Calvert C. Moore, deceased. Besides the two daughters there survive him eight grandchildren, three of whom, John A. Freeman and Keith and Ernest Skidmore, are in the armed forces, and two great grandchildren. His second wife preceded him by two years.

During his ministry Brother Moore received about two hundred and fifty persons into the Church, built two Churches and one parsonage. He had been superannuated for several years. For almost four years he had been a sufferer from fracture as a result of a fall, from which he never recovered. He was a patient sufferer, and his last brief illness came as a shock to the family.

Brother Moore was a man of sterling Christian Character, who lived a clean, Godly life, and was a sound gospel preacher. Association with him was always pleasant and helpful.

At his own request the writer preached the funeral sermon, assisted in the service by Brother E. B. Ware, and Rev. Hickle of the local United Brethren Church, and we laid his careworn body to rest in Oaklawn Cemetery to await the trumpets sound.

—W. J. RICHARDSON.

HENRY K. RIFFE

Henry K. Riffe was born on April 23, 1867 in Monroe County, W. Va., and died June 8, 1943 at the family residence in Parkersburg, W. Va. Rev. Riffe had been prominent in church circles in this state for nearly half a century. He entered the ministry at

the age of twenty-two years and was admitted into the Conference in 1892 with Arnoldsburg as his first charge.

He was educated in the Roane County schools. At the age of twenty-one he married Mary S. Glaze of Roane County. He served forty-five years in the active ministry and attended every session of the Annual Conference during that time. He served in the office of secretary of the Parkersburg District for eighteen consecutive years. His forty-five years of service was confined to two districts of the Conference, Charleston and Parkersburg.

During his two years pastorate at Spencer, he served as chaplain of the State Hospital, located there. After taking the retired relation in 1927 he served as Chaplain of the House of Delegates in Charleston for two years.

In 1934 he married Lillie B. Chandler of Lockport. Since that time he had lived in that community. Funeral services were held at the South Side Methodist Church, Parkersburg, W. Va., with the following clergymen in charge: District Superintendent, John L. Wolfe, Rev. Roy McCuskey, Rev. F. E. Lambert, Rev. Harry Blackburn and Rev. I. E. Steyer. Interment was in Pine Hill Cemetery at Ripley, West Virginia.

—I. E. STEYER.

ELBERT HOUSTON COLE

The ministry of Elbert Houston Cole covered a period of forty-three years, two years as supply pastor at Floyd, Virginia, thirty-two years in the pastorate, and nine years in the retired relation. The latter years were spent in his home at Bluefield, West Virginia, which he built with his own hands and from which he entered into rest May 26, 1943. He leaves his wife who before marriage was Miss Almeda Brewer of Grayson County, Virginia and who followed him in death August 27, 1943, and the following daughters, Mrs. C. R. Goodson and Mrs. Crockett Lowe of Bluefield, Mrs. G. V. Brown, of Stone, Kentucky and Mrs. J. R. McKinney of Bramwell, West Virginia. One daughter, Miss Rose Lee Cole, a teacher in the local high school, preceded him in death.

There was a touch of the heroic in his entrance into the itinerant ministry. Having reached the settled period of life, with his family comfortably situated in their home, he was haunted by an impression that he should enter the ministry, a veritable adventure of faith. College training would be needed if the step was taken. Encouraged by his wife he sold his home, moved to Emory and Henry College and invested the proceeds in an education. The career that followed justified the bold step and brought to the church a service that has had a meaning.

He was admitted on trial into the Holston Conference in 1902, and the major part of his subsequent ministry was spent in or near the bounds of the West Virginia Conference. He served the East River, Faraday, Jenkinjones, Capels-Superior and Kimball charges in the Bluefield District; and the Graham Circuit and West Gra-

ham Station contiguous to it. Including his retirement years, these pastorates made a total of twenty-six years, so that his automatic shift to this Conference in the Unification adjustments was without special sense of change.

Brother Cole was a diligent pastor, a sound and positive preacher, a successful evangelist and a safe administrator. He had no taste for extremes or novel interpretations of truth or compromises that involved his convictions. No item of the church's program escaped his interest and he wisely regarded himself as the servant as well as the leader of his people. In some of his appointments he found no parsonages, the congregations doubting their ability to finance their building. Being a practical mechanic he secured the consent of his officials, set about assembling materials and the problem was soon solved. The pastor was architect, building committee, contractor and builder, all in one, providing for the comfort of his family while he remained, and for his successors in office after he left. During his superannuation he was a busy man, supplementing his pension by useful labor.

Nor did his ministry end with his retirement. His brethren called on him frequently for pulpit assistance and he was a valued helper in the program of Trinity Church where he worshipped. For some years he taught the Men's Bible Class.

He was born December 10, 1865 in Grayson County, Virginia and sleeps in Walnut Grove Cemetery, Bluefield. The end with him was peace. His life begun in Christian nurture, developed in vital service and ending in confident trust is continued, by God's good grace, in the environs of another and a better world.

—E. E. WILEY.

C. H. HIGGANBOTHAM

After serving as a supply pastor in the West Virginia Conference for more than twenty years, Brother Higganbotham retired from the effective work as pastor, but continued active in the work of the local church where he made his home for the last years of his life. As a preacher he was capable, enthusiastic, and as an evangelist he showed unusual ability.

NORTHRUP W. RICE

Another of the supply pastors of the West Virginia Conference passed away during the Conference year with the going of Brother Northrup W. Rice. As a Gospel preacher he was convincing; as a pastor faithful. Many there are who mourn the going of this man of God. Because of ministry there are many we doubt not who found their way into the Kingdom of God. His family receive the sincere sympathy of a host of friends.

J. S. ADKINSON

Rev. J. S. Adkinson, son of Mr. and Mrs. Henry Adkinson, was born in the Pipestem District of Summers County, West Virginia, on October 10th., 1884. He attended the Little Blue Stone Public Schools. Early in life he was converted, united with the Methodist Church of which he was a faithful and loyal member. Later in life he felt the definite call to the Christian Ministry, in which ministry he served for nearly twenty-one years.

During his Ministry Brother Adkinson served in three States, West Virginia, Kentucky, and Virginia, serving the following Charges: Herndon, Scarbro, Beckley Circuit, all in West Virginia; Van Lear and South Portsmouth, Kentucky; Edgemont Circuit in Virginia; Bomont, Elkhurst, Amma, Wallback, Walton.

In January, 1942, Brother Adkinson suffered a heart attack, remaining in his bed from that time until April of the same year, at which time, feeling much improved in his health, went back to his work. His health apparently improved but without any warning he passed away quietly as he slept on the night of May 19, 1943, at the age of 58 years.

Brother Adkinson was faithful to every trust placed in his care, going to each charge to which he had been assigned with a fidelity that spoke well for the Minister and which meant success for the charge to which he had been assigned.

"I think of him as the same, I say,
He is not dead—he is just away."

A. P. PARSONS

Just preceding the session of the West Virginia Annual Conference word came that this faithful supply pastor had answered the last call of the roll in this world and entered into rest of the faithful. As one of the supply pastors of the West Virginia Annual Conference, he went to the class of work that was often shunned by others because of difficult labors, involving long distances to travel, hardships to endure through much of the year, and small remuneration. But his work was of the quality that counts in the building of the Kingdom of God on the earth. He will be missed by many friends he had made through the years, and in the charges served.

MRS. JOB JONES

The wife of Rev. Job Jones, pastor of the Methodist Church at Tunnelton, W. Va., Mrs. Jones passed to the Heavenly Country October 22, 1942. She was the daughter of the late Mr. and Mrs. James M. Stagg, of Parkersburg.

Surviving in addition to her husband are the following children: Foster, L., pastor of the church in Shinnston; Robert J., of Avalon, Pa.; Daniel W., at home; Mrs. Kenneth Deahl, of Pittsburgh; Mrs.

Clarice Kelley, of Fairmont; and Mrs. George Muth, of Crafton, Pa. Also seven children, as well as one brother and one sister.

Funeral services were conducted by Dr. H. W. Ware, District Superintendent, in the Tunnelton Methodist Church, after which the body was laid to rest in the family cemetery.

MRS. R. G. BACKUS

Mrs. R. G. Backus, widow of Rev. R. G. Backus, was born in Summersville, Nicholas County, in the year 1866. Departed this life in Huntington, W. Va., November 18, 1942, aged seventy-six. She was united in marriage to R. G. Backus, March 16, 1886. To this union there were born seven children, two of them preceding father and mother in death, namely, George and Dollie Backus. The surviving children are: Isie Alice, Bertie Isabella, Lillian Anna, Walter Meril, and Raymond Elton.

Early called upon to exercise the position of the wife of a minister of the Methodist Church, Mrs. Backus met all demands of such position, and during the thirty-five years of that effective ministry she stood loyally by the interests of the church to which her husband gave the strength of his life.

After almost fifty years of married life, her husband preceded her in death by almost eleven years, passing away June 19, 1931.

The funeral services for Mrs. Backus were held in First Methodist Church, Huntington, being in charge of the pastor of the Church, Dr. H. E. Wark, who was assisted by Dr. S. B. Hart.

Her body rests beside that of her husband in the beautiful Woodmere Cemetery, Huntington.

MRS. IDA E. PAYNE

Mrs. Ida E. (Conley) Payne, widow of the late Rev. Josiah Payne, and mother of the Rev. Donzel Payne, chaplain at the Moosehart Home, Moosehart, Indiana, died at her home in Weston, West Va., on October 26, 1942 in the 70th year of her journey. Funeral services were conducted by the Rev. J. E. Burns and Rev. T. S. Watkins, pastor of the Memorial Methodist Church of Weston.

Mrs. Payne was born August 27, 1873, in Roane County, West Va., the daughter of James and Sarah Conley. She was happily converted at the age of 16 years and united with the M. P. Church at Pleasant Valley, in Roane County. By her loyal cooperation and sympathetic understanding, she helped her husband to become one of the prominent leaders of his conference. Her native refinement and culture, as well as her kind and gracious treatment of all parishioners greatly endeared her to the people whom her husband served as pastor.

Mrs. Payne did not assume leadership among the lay women of the churches, but took her place among them, and helped in all the activities of the women's department of the church work. But she was an ideal minister's wife in that her home was a model of

neatness and order, and a place of delight to the husband and children. She is survived by one daughter, Mrs. John A. Morrison, of Weston, and six sons: Clarence B., of Los Angeles, Cal.; The Rev. Donzel, mentioned above; Rowland C., of Clarksburg, West Va.; William N., of Huntington, West Va.; Russell and Gwynne, of Spencer, W. Va., and Edwin, of Akron, Ohio.

Truly a "Mother in Israel", and a noble woman has gone to her reward.

—I. A. BARNES.

MARTHA JANE SHEPHERD

Martha Jane Saunderson Sheppard—widow of the Rev. William F. Sheppard was born November 10, 1854, in New York City, daughter of John H., and Sarah H. Saunderson. She was married to Rev. Sheppard October 23, 1879 in Trenton, New Jersey. To this union two sons were born, John Saunderson and William Francis, Jr., now residing in Huntington, W. Va.

Mrs. Sheppard was an accomplished musician, being a talented organist and pianist, also a teacher in music. She always shared her husband's work and took a keen interest in all church activities. She was a faithful servant of God. Died February 17, 1943 at the age of 88 years.

"Farewell dear saint of God, faithful wife, loving mother, devoted friend, royal neighbor, God's gentle lady, Farewell till the morning dawns."

"Life is so wonderful, Life such as thine;
Death cannot end it, dear Mother of mine
Morning will come again, gilding the trees,
Spring notes will sound again, sweet on the breeze."

MRS. J. C. SLEETH

Mrs. J. C. Sleeth was born May 29, 1894, in Wheeling, W. Va., the daughter of Emma Virginia and William Waitman White. She was united in marriage to Rev. John C. Sleeth, July 28, 1927. To this union there were born three children, Ronald William, Elvin Kaye, and Arland White. She was the wife of the parsonage but nine years, when her husband passed away.

The splendid qualities of Mrs. Sleeth were at all times manifest in the life and success of her husband. She was unassuming, kind and sympathetic, a loving mother, not only to her own children, but to the children of Brother Sleeth by a former marriage. She was a life long member of the Methodist Church, and saw to it that her children early united with the church. Funeral services were conducted in the Mt. Olivet Church, Marshall Charge, by her pastor, Josiah Vansickle, assisted by the District Superintendent, and a number of ministers. Her body rests in Mt. Olivet Cemetery.

MRS. B. F. McGEE

Mahala P. McGee, wife of Rev. Benj. F. McGee, deceased, was the daughter of A. P. and Eva Forteney of Preston County, W. Va. Her husband, after twenty years of active service in the West Virginia Conference, M. P. Church was called from labor to reward while serving the Watson charge in Marion County, W. Va.

She was a good, faithful servant of her Lord and Saviour and untiring in her devotion to her husband in his work in furthering the interests of the Redeemer's Kingdom. When sacrifices were to be made she was most willing to make them. She lived for the most part on "The Sunny Side of Life." If there were rough places in life's pathway she pursued the even tenor of her way without murmur or complaint. She departed this life, April 18, 1943, leaving behind many friends to whom she had endeared herself during her husband's pastorate in the various charges which he served.

MARTHA E. STOUT

Martha E. Stout, widow of the Rev. Benjamin Stout, was born January 24, 1861, in Wirt County, West Virginia. At the close of the war between the states, in which her father had served in the Federal army, the family moved to the city of Parkersburg, where her youth and young womanhood were spent. She was a daughter of James F. and Polly (Linn) Hull, and a granddaughter of the Rev. John Hull, a pioneer minister of the Methodist Protestant Church.

In her early teens, Mrs. Stout was converted and united with the Bethany Methodist (Protestant) Church, of which her father was a leading layman. In 1877 she was united in marriage to the Rev. Benjamin Stout, a leading minister of the West Virginia conference of the former Methodist Protestant Church and the first Secretary-Treasurer of the Board of Home Missions. She took her place beside her husband as a devoted wife and loyal helpmate in all of his ministerial duties. But she esteemed it her first duty to make her home a place of delight to her husband and children. While not accepting leadership among the laywomen of her husband's parishes, she took her share of the work along with the others. And her kind and gentle manner, and her gracious spirit and attitude toward all the people of the parish, greatly endeared her to them. Like the woman of Proverbs 31:26, "she opened her mouth with wisdom; and in her tongue was the law of kindness." She died Sept. 5, 1943.

Four daughters and a son are deeply grieved at the passing of this devoted christian mother. They are: Mrs. Elia Robinson, wife of W. C. Robinson, of Bridgeport; Mrs. Bernice Payne, wife of Albert Payne, of Salem, West Va.; Mrs. Mayme Davis, wife of Attorney C. C. Davis, of Clarksburg, West Va.; Nellie, at home, and John Benjamin Stout, of Bridgeport.

Funeral services were conducted at her late home, in Bridgeport, by the Rev. Paul P. Holden, and interment was made in the city cemetery beside her husband, who crossed over in 1934.

—I. A. BARNES.

MRS. ALMEDA BREWER COLE

Just two months after the death of her husband, Rev. E. H. Cole, whose memoir appears in this issue of the Journal, Mrs. Almeda Brewer Cole entered into rest August 27, 1943. The intervening weeks showed a steady decline in her health and her passing was not unexpected. The ending of these two lives so close together and so nearly identical in manner seemed to the friends of the home to be fitting in view of the interesting parallel running their entire length.

They were born in the same community, attended the same school, took part in the same social activities, began housekeeping in the community where they were reared, and entered together the vicissitudes of itinerant life which extended through more than forty years. The ending was probably what she wished it to be.

Mrs. Cole was a woman of strength, practical in her turn, and never lacking in tact and poise. There seemed to be no limit to the effort she put forth whenever and wherever duty called. In one of three activities she could always be found, those of the home, the community, and the church. She was a wise mother guiding to Christian maturity her daughters who in turn ministered tenderly to her at the last. The program of the church claimed her loyalty and prudent cooperation, while the community shared her time and aid where personal ministries were needed. She took little note of her own fortunes but much of the ills and needs of others, and was as far from self-seeking and disruptive bias as human nature gets to be. In her tongue was the law of kindness. In later years she was known to the children of the community as "grandma" and by common consent she was regarded as "church mother" in the congregation where she last worshipped.

Her birthplace was near Grant, Virginia, and the date August 11, 1869. Her marriage took place May 26, 1887. A substantial heritage of character and ideals came to her from her Virginia ancestry, and her Christian experience had an early beginning. Its development was by normal processes, steady and profound, culminating in a character whose influence and inspiration will reach down.

The service in her memory was held in Trinity Church, conducted by the writer who was at once her pastor and long-time friend of the family, and she was laid to rest by her husband's side. It is easy to imagine that, in the dispensations of wisdom, their fellowship is renewed in the life that is to be.

—E. E. WILEY.

MRS. H. J. MITCHELL

Mrs. Jessie Katherine Mitchell was born at Hundred, West Virginia, December 25, 1900, the daughter of Stephen Douglas and Mary Hostutler; and died in Alexandria, Virginia, May 17, 1943.

She was united in marriage to Rev. Harvey J. Mitchell and for nineteen years worked side by side with her husband in the work to which they had been called. To this union were born three children: Mrs. Leona Loraine Powell, of Alexandria, Virginia; Mr. Eugene Howard Mitchell, of Portsmouth, Virginia; and Betty Lee, at home.

Funeral services were conducted in Fairmont, West Virginia by The Rev. Mr. High, assisted by Rev. Arthur Lazenby and Dr. H. W. Ware, District Superintendent. Interment was made in the Maple Grove Cemetery, Fairmont.

Mrs. Mitchell was a life member of the Missionary Society and was always an ardent worker in whatever church she and her husband were serving. Even though of a retiring disposition, she was a source of inspiration, not only to her husband in his work, but also to her son and daughters with whom the relationship was unusually close. In fact, all who came in contact with her know that Mrs. Mitchell has left the world a better place to live in, and the influence of her sweet disposition still lives for all who knew her. Many of us know that a genuinely true friend is now waiting to continue that friendship in a better land.

MRS. MARY SMITH

Mrs. Mary Frances Smith, widow of Rev. M. L. Smith, a former minister of the Methodist Protestant Church, died September 15, 1943, at the home of her daughter, Mrs. George T. Locke, in St. Marys.

Mrs. Smith was a native of Jackson County, W. Va., where she was born December 10, 1860, a daughter of the late Giles Board and Elizabeth Board. She moved to Parkersburg, where she became the wife of Rev. M. L. Smith, during his pastorate of Bethany Church in that city.

She leaves a daughter, Mrs. George Y. Locke, who was an only child of the union. Three brothers, E. C. Board and O. J. Board of Ripley, and C. H. Board, of Dunbar.

Funeral services were conducted in the Bethany Methodist Church, Parkersburg, by the pastor, P. E. Chamberlain, assisted by Rev. B. M. Mitchell, of St. Marys. Interment was made in the Mt. Olivet Cemetery.

MRS. ADDIE NICHOLSON

For fourteen years Mrs. Nicholson was the wife of Rev. Edward Nicholson while he served in the pastorate of the West Virginia Conference of the Methodist Church. During these years she was the efficient, affectionate helpmate of him whose business it was to proclaim the Good Tidings of Salvation as he pursued his calling as a minister of the Gospel of Christ.

Her going away on April 27, 1927, was recognized as a distinct loss by all who knew her. Truly one of God's noble women has answered the call up Yonder.

STANDING RULES FOR WEST VIRGINIA ANNUAL CONFERENCE

1. The Cabinet, the President of the Woman's Society of Christian Service and the Conference Lay Leader shall be an ex-officio committee to make all nominations for Quadrennial Boards, Commissions and Committees, and for vacancies on the same, where the DISCIPLINE does not provide otherwise, and for any such groups to be annually appointed.

2. The Secretary and the Statistician shall be nominated annually from the floor of the Conference. Each shall have the privilege of nominating his assistants. The Secretary (or an assistant) of the preceding session of the Conference shall serve in the next session until his successor is elected. The incumbent Secretary shall also serve as the Secretary of the Conference when such officer is needed between sessions.

3. All debate on the floor of the Conference shall follow the principle of alternate debate, when asked by either side. But, when no speaker on the side opposed to the last speaker heard is ready, the Bishop may recognize one who desires to speak on the same side as the last prior speaker.

4. The Bishop shall name any special committees whose membership shall not have been provided for otherwise.

5. The Conference Treasurer shall be elected upon nomination of the Commission on World Service and Finance, which shall execute a contract with him, after the same shall have been approved by the Conference. The Treasurer may be an individual or a bank. No contract entered into shall extend beyond the session following a General Conference.

6. All persons who hold or disburse Conference funds shall be bonded in such amounts as may be deemed wise by the Commission on World Service and Finance. These bonds shall be in good and solvent companies, and the Conference Secretary shall be the custodian of the same.

7. The salary and expenses of the District Superintendents shall be determined by the Conference upon recommendation from the Commission on World Service and Finance. Allowance shall also be made for house rent where there is no district parsonage, and for its upkeep and insurance where there is one. These amounts shall be the same for the several districts for items of the same category. The Commission is authorized to encourage the purchase or erection of district parsonages where needed and to direct the rental allowance to the liquidation of any indebtedness against them. When such indebtedness has been incurred with the approval of the Executive Committee of the Commission, the annual rent allowance shall not be reduced until the debt has been liquidated.

8. All authorizations for the raising of money throughout the Conference may be voted upon by the body only after the matter has been considered by the Commission on World Service and Finance and it makes a recommendation thereon or refuses so to do.

9. The Conference Secretary shall be editor of the annual

minutes, and shall be a member of the Committee of Publications. This shall be a Quadrennial Committee beginning in General Conference years. It shall determine the number of the copies of the minutes to be printed, let the contract after competitive bids therefor and supervise the distribution thereof. The cost of printing shall be defrayed from the Conference Expense Fund, less any proceeds from sales or gifts. Including the Secretary, this committee shall number five persons.

10. No District Superintendent shall be Secretary of the Conference or hold a voting membership on any Quadrennial Board or Commission or Committee whose deliberations would call for his presence during Conference sessions.

11. No beneficiary of any appropriation shall have a vote upon the same in any Board, Commission or Committee, save where this rule may be in conflict with General Conference action.

12. A retired minister, serving as a supply pastor or in any other service for which he receives a salary, shall not have his annuity reduced by reason of receiving such compensation. But no sustentation money or Conference or General Board of Missions funds shall be paid to him.

13. The apportionments for the Benevolences and for General Administration, to be raised in a district, shall be distributed to charges therein by the incumbent District Superintendent. The bases of such distribution shall be the same as those used by the General and Conference Commissions on World Service for distribution of these funds. But when equity requires, or there is good prospect of securing increased collections, at his discretion, he may vary the amount asked from the exact calculations. However, in no case shall the distribution to charges total less than the amount apportioned to the district. All appropriations shall be in even dollars, less than fifty cents to be ignored and fifty cents or more counting as an additional dollar.

14. The District Superintendents shall report the distribution of the Benevolent askings and the apportionments of other funds to be raised throughout the Conference, as made to the several charges in their respective districts, together with the Quarterly Conference Acceptances on Benevolences, not later than January 1 following the adjournment of the Annual Conference session. This report is to be made in detail and a copy is to be sent to each of the following: The Bishop, the Conference Statistician, the Chairman of the Conference Commission on World Service and Finance, the Conference Treasurer and to the Chairman of the General Commission on World Service and Finance.

15. All pastor's statistical reports to the Annual Conference which involve money shall be made in even dollars.

16. Statistical tables I and II shall be forwarded to the Statistician of the previous Conference not later than the tenth day preceding the opening of the next Conference session. If for any reason he cannot serve, one to act in his place shall be chosen by the Bishop and his Cabinet, to serve until the Conference acts.

Tables III shall be placed in the Statistician's hands on the opening day of the Conference session.

17. A Quadrennial Standing Committee of five members, to be nominated by the Cabinet, shall receive the invitations and choose the place of meeting of the Conference for each session.

18. The Committee on Conference Program and Public Worship each year shall be composed of the Bishop, the Conference Lay Leader, the host District Superintendent and the Pastor, the Lay Leader of the host church and two additional members to be chosen by the Conference Entertainment Committee. The Chairman shall be the host pastor, or one chosen by a group of host pastors when a group of churches entertain the Conference.

19. The District Superintendents shall constitute the Committee on Memoirs. They will arrange for the preparation of memoirs with the families of the deceased and with the Program Committee for the public services, effective at the beginning of the next quadrennium.

20. All reports for inclusion in the Conference minutes shall be typed or printed and furnished to the Secretary at least in duplicate; and the same shall be subject to editing by the Publication Committee.

But, upon recommendation of the Board of Conference Relations and the Board of Ministerial Training and District Superintendents, he may be admitted by a three-fourths vote of the Conference membership present and voting.

22. Lay Members of the Annual Conference, and the Reserves, shall be elected annually by the Fourth Quarterly Conference. (This rule is to take effect in 1944.)

23. No person shall be appointed to serve on more than one major Board or Committee contemporaneously.

24. District Conferences shall be held annually in each district of the Conference. In addition to the ex-officio membership each Quarterly Conference shall elect two principal and two reserve delegates, or provide for the same, at the time of its first session after the Conference year begins.

25. Retired ministers under seventy-two years of age may be used as supply pastors only until the next session of the Annual Conference and shall no longer be continued in an appointment unless they return to the effective relation, or unless he voluntarily surrender his annuity for the period of his service.

26. When no standing rule governs procedure, questions shall be settled in accord with Roberts' Rules of Order (latest edition).

27. These rules, with any modifications, shall be published following adoption in the Conference Minutes and in the first issue of

the minutes following each General Conference session. They shall appear either in the front or at the close of the Journal.

28. There shall be a Quadrennial Committee on Rules consisting of three ministers and two laymen.

29. These rules may be amended in the following manner: (a) Any person or persons desiring to present an amendment or amendments must present the proposed amendment or amendments in writing to the Committee on Standing Rules. (b) The Committee on Rules shall assemble, edit, mimeograph and present such proposed amendments to the Conference, but they shall not have the power to change the essential meaning of any proposed amendment or amendments. However, where the proposed change is so simple as to be readily understood, the Committee shall not be required to mimeograph the report. (c) All amendments shall lie over for twenty-four hours following their reading to the Conference before being acted upon. (d) All amendments must be adopted by a two-thirds vote of the Conference. (e) The provision in Rule 3, relating to legislation of District Parsonage indebtedness, shall not be subject to any such amendment as will release the Conference from its previously accepted obligation in the liquidation of such indebtedness.

MEMORIALS TO GENERAL CONFERENCE

MEMORIAL

The West Virginia Annual Conference, in session at Charleston, West Virginia, September 22-26, 1943, respectfully memorialize the General Conference of the Methodist Church to amend Paragraph 1319, section 2, of the Discipline of 1940 by rescinding subsection (c) providing "years served prior to the Uniting Conference in a Methodist denomination other than the one in which membership was held on May 10, 1939" may not be counted for annuity claim of a Conference Claimant, and

Be it resolved; that legislation be adopted providing that such years of service as have been served in either of the three participating branches of the Methodist Union shall be counted for annuity claim of a Conference Claimant.

MEMORIAL

The West Virginia Conference, in session at Charleston, West Virginia, September 22-26, 1943, respectfully memorialize the General Conference (under authority of Paragraph 1708, Discipline 1940) with respect to Paragraphs 145 and 146 of the Discipline of 1940.

Whereas, under the present Disciplinary arrangement for listing and reporting church membership as "active" and "nonresident" makes for confusion and does not serve any spiritual end, therefore,

We pray, that this arrangement be removed from the Discipline and that a simpler provision be substituted, whereby, we count and report only the fact that a person is a member of the Methodist Church.

This memorial does not request any action that would eliminate the category of "preparatory membership".

MEMORIAL

The West Virginia Conference, in session at Charleston, West Virginia, September 22-26, 1943, respectfully memorializes the General Conference of the Methodist Church to make the following change in the Discipline:

To change Chapter IX, paragraph 488, 1940 Discipline to the Methodist Church to read: "The District Conference, upon nomination of the District Superintendent, shall elect a Licensing Committee of six or four. The District Superintendent shall fill any vacancy in the Committee. The Committee shall serve until the ensuing District Conference. It shall have the power, by unanimous vote, after thorough and satisfactory examination in the prescribed Course of Study, to license proper and duly recommended persons to preach, and to recommend proper persons for Admission on Trial or for readmission. The District Superintendent and the Secretary of the Licensing Committee shall furnish a certified record of the proceedings to the Secretary of the District Conference for record in the Journal. The District Superintendent shall be a member and Chairman of the Committee.

The change indicated is the substitution of the word "District" for "Annual" Conference.

MEMORIAL

The West Virginia Annual Conference, in session at Charleston, West Virginia, September 22-26, 1943, respectfully memorialize the General Conference of the Methodist Church:

To provide for the examination of the records of the Quarterly Conference at the District Conference by a Committee appointed for that purpose. Where there is no District Conference this examination to be made at the Fourth Quarterly Conference.

MEMORIAL

The West Virginia Annual Conference, in session at Charleston, W. Va., September 22-26, 1943, respectfully memorialize the General Conference (under authority of paragraph 1708, Discipline of 1940) with respect to Paragraph 226 of the Discipline of 1940.

Whereas, it is extremely difficult for anyone to be quite sure what constitutes mental cruelty, and

Whereas, the securing of "competent testimony" is also attended by difficulties and such testimony itself often rests under a cloud, and

Whereas, these facts make it easy for a minister to become liable to maladministration (see Paragraph 651, 1940 Discipline) as a "marrying parson", therefore

Be it Resolved; that Paragraph 226 may be amended by striking out Sub-section 1, Article 5, Paragraph 226 and substituting therefor the following Sub-section 1: "to the innocent person whom it is clearly established that divorce has occurred because of the one scriptural cause."
